

**Public Hearing Docket Number 2013-1-E**

242284  
SA/MS  
DD3/18/13

To whom it may concern,

I am a tax payer and I do have very small resource to pay what liabilities I hold at this moment, and to see these Muliti Corporations got up on rates or Rate Accelataration doesn't set well with me at all, and I would like to see it stopped and desist.

What these Corporations whom are Dead Entities do is consumed the life from the Indiviual, whom has no idea who is before the debt itself, meaning there is a 2 side of the coin, there is Person meaning Corporations and Individual whom is the innocent bystander who is seen as a "Incompetent" so he has no leg to stand, for he see things in a certain perspective, in which it isn't.

These Corporations needs to stop robbing Flesh and Blood People of their "Energies" and Mind, for the scripture ;1 Corinthians 2:12 We have not received the spirit of the world but the Spirit who is from God, that we may understand what God has freely given us.

Galatians 5:1 it is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery.

And with these Rate hikes I hope and pray you see the blood that is in your hands, for doing what The Most High said not to do and that is Not Bind a debt to your brother that isn't of his own doing, and what you are doing is Bondage of continue Slavery.
